How to pack your gear: Encampment requires a significant amount of equipment to be brought to the activity. The facilities that will be used are ideal for encampment and provide many exciting activities throughout the week. Therefore, the following packing guidelines should be used.

1. Choose a footlocker, suit case, or plastic tub that you can easily access equipment from. Duffel bags are not authorized because you must empty the contents of the bag entirely to get to something at the bottom - choose something that you can keep your property in at all times but still easily access everything. The encampment website will have additional information on suggested choices.

2. Bring uniforms on hangers pre-pressed and wrinkle free. Garment bags, if available, should be used. Don't pack your uniforms in your main suitcase/footlocker/etc. Write your "Last Name-CAP ID with a sharpie on all clothing and packing materials (i.e. suitcase/footlocker/garment bag)

3. Only pack what is on this list. If there is something you think needs to be brought but is not listed above, contact your flight sergeant or flight commander and ask the question. Do NOT bring something without permission.

**Any items found that are not on the equipment list will be confiscated and placed in contraband. Be accountable for your own actions and DO NOT pack anything not authorized on this equipment list. Bringing of unauthorized items or failure to disclose is grounds for dismissal from encampment.**

### Member and Parent Packing Certification & Verification

MEMBER CERTIFICATION: I certify that I have packed my own materials and equipment and that only the authorized items on this packing list have been brought. I understand bringing items not included on this list is not permitted and may result in dismissal from encampment.
